State Compensatory Education

The State Compensatory Education program at this campus consists of after school tutorials for students at-risk of failure, additional science and math classes to review the concepts on state assessments, and maintaining an alternate campus.

Total SCE funds allotted to this Campus \$15,526.00

Total FTEs funded through SCE at this Campus 2.3 Professional FTE

Students are entered into the State Compensatory Education program according to the State Guidelines.

Students may be exited from the State Compensatory Education program when they no longer meet State Guidelines or when they demonstrate consistent satisfactory performance on state assessments and in their scheduled classes.
