**In this plan, the term “student groups” refers to students who are
 H, W, AA, ED, Migrant, LEP, G/T, and Special Education**

This District has written policies and procedures to identify the following:

- **Students who are at risk of dropping out of school under state criteria**
- **How students are entered into the SCE program**
- **How students are exited from the SCE program**
- **The cost of the regular education program in relation to budget allocations per student and or instructional staff per student ratio**

Total SCE funds allotted to this Campus \$263,226.00

Total FTEs funded through SCE at this Campus 7.33

Students are entered into the State Compensatory Education program when they meet one of the 13 criteria areas.

Students are exited from the State Compensatory Education program when they no longer meet one of the 13 criteria areas.

***Criteria areas are listed on page 8 of this plan.**

At Ballinger Elementary School State Compensatory Funds are used to support Title I initiatives.
